

## AGRETO Grain Moisture Tester GFM+

### Applications:

- Portable Moisture Tester for grains, corn and many other crops
- For farmers and contractors
- Ideal for use on machines

### Technical details:

- Rugged casing for mobile employment
- Sample size 80 ml
- Measuring curves for 41 crops
- Testing the whole grain - no milling necessary
- Automatic temperature correction
- Spring-loaded indicator in the cap
- Large backlit LCD display
- Foil keypad
- Measuring curves can be simply re-calibrated
- Power supply with two 9 V batteries, sufficient for a whole season
- Measuring range of 5-40 %
- Resolution 0.1 %
- Accuracy +/- 0.5 %
- Menu-driven operation
- Building up averages
- Automatic shutdown
- Scope of delivery: tester, carrying bag, batteries, manual

### Benefits:

- Safety during harvesting, warehousing and selling
- High accuracy because of big sample size, compressing the sample and temperature correction
- Easy to use
- Measurement result within seconds
- Sturdy technology

### Grains:

|                    |                       |
|--------------------|-----------------------|
| Alfalfa            | Peas Yellow           |
| Barley             | Phleum                |
| Beet               | Popcorn white         |
| Buckwheat          | Popcorn yellow        |
| Canary             | Papseed (Canola)      |
| Clover purple      | Rice long             |
| Clover white       | Rice medium           |
| Corn low moisture  | Rye                   |
| Corn high moisture | Rye grass             |
| Dactyl             | Safflower             |
| Fescue             | Sorghum (Milo)        |
| Flax (Linseed)     | Soybeans              |
| Lentils            | Spelt                 |
| Lupins yellow      | Sunflower Oil         |
| Millet             | Sunflower Stripe      |
| Mustard            | Triticale             |
| Navy Beans         | Wheat Durum           |
| Oats               | Wheat hard red spring |
| Peanuts Spanish    | Wheat hard red winter |
| Peas Fodder        | Wheat white           |
| Peas Green         |                       |
